

Zandr  Nieuwoudt

OBJECTIVE

One of my many objectives is to strive for perfection, and though this feat cannot always be achieved, I delight in testing my limits to see just how close I can get – For through the Lord, anything is possible

ADDRESS

Stellenbosch,
Western Cape

EXPERIENCE

2017–2021

Student • Stellenbosch University • Stellenbosch

Started with the wrong degree and decided to change my direction

2022

Postgraduate Student • Stellenbosch University • Stellenbosch

Acquired a great deal of experience during my Honours degree, from Project Management to Ethics and Professionalism

2022/01

Database Management • Whimsical Bridal • Somerset West

Assisted Whimsical Bridal in managing their database while the business was being handed over to new owners

EDUCATION

BSc Geo-Informatics at Stellenbosch University, Stellenbosch, Western Cape

Matriculated at Paul Roos Gimnasium, Stellenbosch, Western Cape

Currently busy with my Honours degree in BSc Geo-Informatics, also at Stellenbosch University

COMMUNICATION

Presentations to peers and faculty at Stellenbosch University
Presentations to client for a spatial data capture project, showing progress and planning through means of a Gantt chart
Participation in an Agile project management approach

LEADERSHIP

2018 - Member of the Senior committee for Vesta at Stellenbosch University

2022 - Assessment Assistant (Demi) for Spatial data Acquisition [311] & GIS and Spatial Data Management [241] at Stellenbosch University
